

2010 Music at Midday Charity Application

Canberra Theatre Centre in association with the Royal Military College Band and proudly supported by Canberra Labor Club Group presents a series of *Music at Midday* concerts annually. The popularity of *Music at Midday* has grown to such an extent that the concert is performed both at 11am and 12.30pm.

Each *Music at Midday* is dedicated to a different charity. Entry to the concert is via gold coin donation, collected by the chosen charity. In addition to this, the charity is spoken about during the concert, and to increase exposure, the charity is also encouraged to arrange an informative display in the theatre foyer.

Selection of the successful charities will be conducted by Canberra Theatre Centre Management and once decided, no further correspondence will be entered into. Applicants will be selected based on the following criteria.

- Preference will be shown to those charities that are Canberra based, ensuring that the donations go back into our local community.
- Preference will be shown to those charities who are new or previous unsuccessful applicants, however previous successful applicants are still welcome to apply.

In addition to this, the charity must be willing and able to provide a report of the manner in which the donation was used, due not more than one month after the concert.

Name of Organisation:

Address:

Telephone: Registration No:

Names and addresses of 2 principal office holders of the organisation:
